

# FSP24 CLASSROOM PLAN

Teacher activity information

The plan below is a very basic plan of the classroom used in the crime scene. It is NOT to scale.

This plan could be used for students to map out the actions of the culprit for the "Crime Scene" and to mark in the spots where various pieces of evidence were located or you may want to get the class to complete their own accurate plan of their classroom on a piece of graph paper.

This plan is found in the **Crime Dossier (FPS26)**.

Crime Scene Classroom not to scale
